Unit 8 Assignment: Final Project Presentation

Due Dates:

- Presentation Posting: on or before Wednesday at 11:59 pm of Unit 8
- Comments to others: on or before Friday at 11:59 pm of Unit 8

Total Points: 100

Overview:

You will create an 8-10 minute video or slideshow presentation of your key points of the Final Paper and post it to the Unit 8.2 Discussion: Final Project Presentation forum. You will comment on at least two other group's presentations.

Instructions:

Please complete an 8-10 minute video or PowerPoint slideshow presentation of your final paper containing the following:

1. Should discuss the key points of your final paper
   a. Integrating concepts and theories from the text, analyze the company's external and industry environment, internal resources and intellectual assets
   b. Integrating concepts and theories from the text, analyze the company's business-level and corporate-level strategies
   c. Discuss leadership, innovation and entrepreneurship practices
   d. Develop goals and SMART objectives. Provide an overview of the timetable and the required resources
2. Your PowerPoint must have a voice over
3. Should convey passion and energy and not just reading from the slides
4. PowerPoint or Prezi may be used, please ensure Speaker Notes is included
5. Slides should include mainly bullet points, illustrations, tables or figures (No full paragraphs)
6. Please submit the file in the Unit 8 Course Area. Click the link for the Unit 8 Assignment: Final Project Presentation and follow the instructions to upload the file then upload the file in the Unit 8.2 Discussion "Final Project Presentation" forum by Wednesday at 11:59 pm
7. Reply to at least two other groups by Friday at 11:59 pm. Your post must include at least two paragraphs and provide clear, respectful, and constructive thoughts on their presentations

Requirements:

- Your presentation should be 8-10 minutes in length.
- Include a reference slide using APA formatting 7th edition guidelines.

Evaluation Rubric for Video Presentation of Final Paper

CRITERIA	Exemplary	Proficient	Needs Improvement	Deficient
	(29 – 30 Points)	**(24 – 28 Points)**	**(18 – 23 Points)**	**(0 – 17 Points)**
Inclusion of Key Content of the Paper, Including Applicable Citations and a Reference Slide	Comprehensive, professional, clear discussion of key final paper components, including citations and reference slide.	Required information is present though minor details may not be clearly or completely presented.	Required information is present though key details may not be clearly or completely presented.	Does not provide all the required information.
Comprehensive Knowledge of the Strategic Content	Clearly demonstrates a comprehensive knowledge of the strategic components.	Demonstrates a knowledge of the topic and its details, but is missing minor components.	Demonstrates a knowledge of the topic and its details, but is missing key components.	Does not demonstrate a knowledge of the topic or its components, or the information conveyed is incomplete or poorly constructed.
Powerpoint/Prezi Construction	Writing and format are clear and professional. No paragraphs of text. Utilizes bulleted lists, images, charts and graphs to the greatest advantage. Voice over clear, concise, and engaging.	Minor errors that do not impede reading, flow and engagement.	Key errors that may impede reading, flow and engagement.	Errors impede professional presentation.
	(10 Points)	**(5 Points)**		**(0 Points)**
Replies to at Least Two other Peers	At least two paragraphs of clear, constructive, and respectful feedback to at least two peers.	Responded to less than two students.	N/A	Responded to no students.
